Re: Expedited Work Visa Process for Foreign Expert Request

Dear Sir, Madam,

ABB Technologies Ltd., ("**ABB Israel**" or "**the Company**") registered number 510039746, an Israeli company, part of the global ABB Group leader in power and automation technologies, founded in 1883. The ABB Group of companies operates in roughly 100 countries and employs about 140,000 people.

The Company provides engineering support to the Israeli Electrical Company ("IEC").

The IEC has assigned ABB for the commissioning of IEC Power Stations in Orot Rabin, Hadera and Rutenberg Power Station ("the Project").

The Project is unique and crucial for the IEC and the Israeli Electrical market.

The company needs the following Experts to be present in Israel for a limited time of up to 45 Days to provide senior engineering and consultation services to the IEC power stations.

The services and consultation are needed by the specific Senior Experts who have the experience, knowledge and know-how of such power station systems. This knowledge is not available in Israel.

The Experts are:

1. Mr. BOGORAD Alexander Zachary, US Passport number: 447449140.
2. Mr. EHRLICH II Don Richard, US Passport number: 459820553.
3. Mr. LAMB JR Leroy Richard, US Passport number: 218282045.

The Experts are needed from the Date of January 05, 2016 and until the Date of February 15, 2016.

Enclosed please find **Passports** copy and full application supporting this request.

The Experts will leave Israel according to the Approval and Visa issued.

The Company will bear all expenses concerning the Experts visit in Israel, including, but not limited to: Flight Tickets, Accommodation, Transportation, and Medical Insurance.

The company is requesting for Visas to be issued for the Experts allowing them to perform the unique work needed in Israel for this limited time.

Please do not hesitate to contact us should you have any comments.

Thank you for your understanding and cooperation.

Sincerely,

Ronen Aharon
General Manager
